

Parking and Transportation Program for Allegiant Stadium FAQs

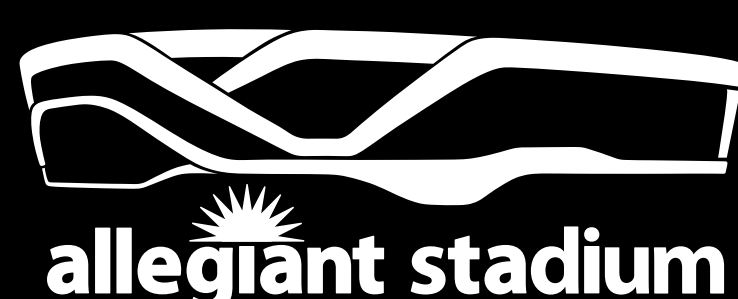

GENERAL INFORMATION

Who operates the parking facilities for Allegiant Stadium?

- Official parking facilities for Allegiant Stadium will be operated by Las Vegas Stadium Events Company, LLC ("StadCo"), a Raiders affiliated company. StadCo manages Stadium operations, including parking and transportation.

What is the Parking and Transportation Program for Allegiant Stadium?

- StadCo has developed a **first-class, comprehensive Parking and Transportation Program** that offers many **parking, transportation and tailgating options**.
- The Program is developed in cooperation with **community partners**, including local government agencies, area property owners and nearby Casino-Hotel resorts.
- The Program is dynamic and will continue to **evolve** as we learn more about consumer preferences during the Stadium's inaugural year.
- The Program is based on **best practices** from other NFL and major stadiums around the country.
- StadCo is working with **Parking and Transportation Group – Las Vegas (PATG-LV)**, the same company that helped to create the traffic plan for T-Mobile Arena, including Vegas Golden Knights games; the company also manages parking for Las Vegas Ballpark, home of the Las Vegas Aviators.
- The Program incorporates the best in **wayfinding technology** and digital tools, including a **mobile app**, to make finding parking easy.
- Employing a **distributed parking approach**, the Program offers **many options to mitigate single points of congestion** and accommodates a variety of consumer preferences for transportation, parking and tailgating.
- The Program includes more than **25,000** parking spaces near Allegiant Stadium, including **15,000** spaces within walking distance. There is a minimum of **7,000** spaces for tailgating including **5,000** spaces within walking distance of the Stadium and an additional **1,700** spaces at the Warm Springs Park & Shuttle lot.
- The Program will include **multiple areas for rideshare (Uber/Lyft), taxi, shuttle and limousine drop-off and pick-up**.
- **Special fan experiences** will include the ability to walk from Las Vegas Blvd. to the Stadium across the Hacienda overpass, which will be closed to automobile traffic on game days. This will provide a safe and experiential opportunity.
- The Program is **highly managed** and includes not just parking, but also traffic flow and traffic management, strategic street closures and more.
- The goal of the Program is to make **getting there part of the game day experience**.

Where is the Stadium District?

- The Stadium District includes the area around Allegiant Stadium, bounded by Tropicana Ave. to the north, the railroad tracks to the west and south, and I-15 to the east. Included in this area are several parking lots managed by StadCo.
- In addition to the Stadium District, parking is located at:
 - **Casino-Hotel resort properties** in proximity to the Stadium
 - Nearby off-site **Park & Shuttle lots** managed by StadCo during games/events with shuttle service to the Stadium

How much parking is available?

- There are more than **25,000** spaces near Allegiant Stadium.
 - This includes more than **14,000** spaces in the Stadium District and at nearby off-site Park & Shuttle lots.
 - Nearby Casino-Hotel properties offer more than **11,000** spaces.
 - More than **15,000** spaces are located within walking distance of the Stadium.
 - More than **7,000** spaces accommodate tailgating.
- Local examples of distributed parking include T-Mobile Arena and Las Vegas Ballpark.
- Examples of NFL stadiums that successfully employ distributed parking include Mercedes Benz Stadium (Atlanta Falcons) and CenturyLink Field (Seattle Seahawks).

How much parking is needed for Allegiant Stadium?

- Based on experiences of other NFL stadiums in urban areas, a large percentage of patrons use rideshare services, taxis and public transportation, significantly reducing the need for parking. Survey results of Allegiant Stadium Personal Seat License holders indicate this to be the case for Las Vegas. Given the unique nature of Las Vegas and the adjacent Strip corridor, we expect a large percentage of patrons to walk or use alternative methods of transportation to get to Allegiant Stadium.
- Parking options at Allegiant Stadium will exceed demand.

How does the number of parking spaces at or near Allegiant Stadium compare to other NFL stadiums?

- Relative to other NFL stadiums in urban areas, Allegiant Stadium ranks near the top in total number of available spaces, including both stadium-controlled spaces and third-party controlled spaces.
- The number of parking spaces available for events at Allegiant Stadium is consistent with or exceeds in many cases, the number of parking spaces at most other NFL stadiums.

Where is parking located?

- There are more than **25,000** parking spaces near Allegiant Stadium, including:
 - **2,375-2,715** spaces: on-site parking for premium ticket holders, emergency vehicles, transit; tailgating allowed (size of event will dictate number of available spaces)

- **6,500** off-site spaces: multiple lots within walking distance throughout the Stadium District operated by StadCo with tailgating allowed at select lots
- **1,800** spaces: dedicated lot for tailgating operated by StadCo within walking distance of Stadium, located near Valley View Blvd. and Reno Ave.
- **4,425** spaces: two off-site parking areas with shuttle service to the Stadium
- **150-200** spaces for RVs: available upon reservation at the Oasis Las Vegas RV Resort located west of I-15 and south of Blue Diamond Rd., with shuttle service to the Stadium
- **200** spaces for RVs: lot located near the Stadium

How much does it cost to park for non-Raiders events?

- Parking costs for non-Raiders events will vary. Visit AllegiantStadium.com for information.

IMPACT/EVENT FREQUENCY

- The majority of NFL games and large-scale events are expected to occur on weekends or during weekday evening hours, reducing the impact on businesses within the Stadium District.
- In addition to NFL games, other full-capacity events with an estimated attendance of up to 65,000, include other major sporting events, such as the PAC-12 Football Championship that will occur at Allegiant Stadium in 2021 and 2022, a possible future Super Bowl, and large-scale concerts with major headliners.
- The Parking and Transportation Program has been developed for large, medium and small events.

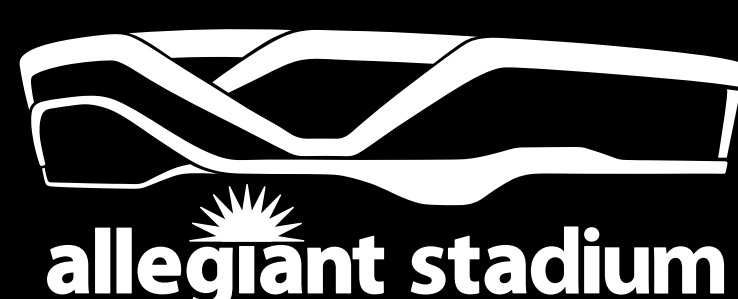

PEDESTRIAN CROSSINGS AND ROAD CLOSURES

Will Las Vegas Metropolitan Police Department officers facilitate pedestrian traffic?

- Yes. A comprehensive pedestrian safety plan that includes Metro officers to facilitate roadway crossings is under development.

Will there be road closures on game days and for major events?

- Yes, several roadways near the Stadium are recommended for full or partial closure before, during and after events.
- The Hacienda Ave. overpass will close to automobile traffic approximately five hours prior to game time. The road closure will create a safe and fun opportunity to walk with other fans from the Las Vegas Strip corridor to Allegiant Stadium.

ROADWAY MANAGEMENT

How will roads around Allegiant Stadium be managed?

The active management of the street network will include:

- Traffic signal management by RTC staff and Clark County Public Works via an on-site command center
- Officer-controlled intersections and pedestrian crossing locations
- Enhanced wayfinding
- Planned road closures
- On-street parking restrictions
- Communication to the public before, during and after events via AllegiantStadium.com and a dedicated parking app
